

Halloween Riddles

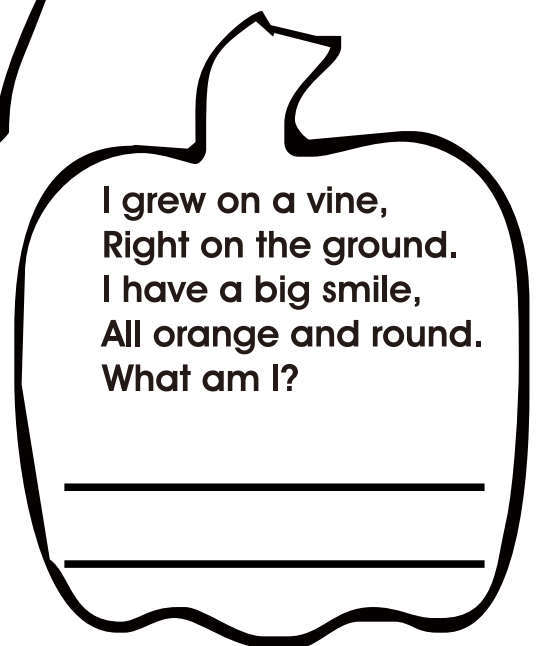

My hat is black,
My face is green.
My laugh is mean.
I ride a broom
On Halloween.
What am I?

Out of the graveyard
Filled with stones,
No hair or skin,
I'm nothing but bones.
What am I?

I fly at night.
I hunt by sound.
I live in the cave
And sleep upside down.
People are scared;
They shouldn't be.
I eat mice and bugs.
Please, don't hurt me.
What am I?

I grew on a vine,
Right on the ground.
I have a big smile,
All orange and round.
What am I?
